

Noise cancelling headphones from Quantum Hi Tech

QHMPL, India's leading frontrunner in consumer electronics & high-quality IT peripherals, under the brand 'Quantum Hi-Tech' with its unfailing commitment to highest standards of quality at most affordable prices, brings in yet another addition - a refined semi classical design to its range of headphones with 'QHM 880' on the head audio gears which are comfortable to wear for hours at a time. A perfect combination of sound and style QHM 880 promises an unmatched listening experience.

The enchanting experience between your ears is possible thanks to its fine woven fabric that controls sound leakage. Offering an excellent sound clarity, the newly launched headphone comes in two different models: One with Single Pin backed with 3.5mm jack and is packed with extra convertor, thus making it a compatible device for all the audiophiles who love listening to their favorite beats on their mobile phones, MP3 Players and Tablets. Whereas, the second model is equipped with double pin jacks and is aided with inbuilt mic, thus allowing one to make voice calls effortlessly. Priced at Rs. 423 the product is already available at leading retail stores and ecommerce portals. To know more visit: www.qhmpl.com.
