

Quantum Hi Tech launches Wireless Mouse

Long battery life lasts

Finally busy hands get what they deserved - QHMPL, India's leading frontrunner in consumer electronics & high-quality IT peripherals, under the brand 'Quantum Hi-Tech' with its unfailing commitment to highest standards of quality at most affordable prices, announces the launch of comfort inspired 'Wireless Mouse 253WJ'. With 253WJ even when you are hard at work, the natural curves and soft rubber grips supports your hand, enhancing your computing experience only at Rs. 550/-

Advanced Navigation experience: With 2.4 GHz Radio Frequency technology, the 253WJ Wireless Optical Mouse provides you with wireless convenience and the freedom of a smooth connection for up to 10mtrs without tangled cables. The smooth and precise tracking brings in an ultimate navigation experience.

The 600/1600 -DPI optical sensor improves speed, accuracy and reliability without the hassle of a clogged mouse ball. Its advanced optical

tracking ensures smoother cursor control and easy text selection also adapting to the speed which can

be

adjusted as per the needs of the users.

Long Battery Life:

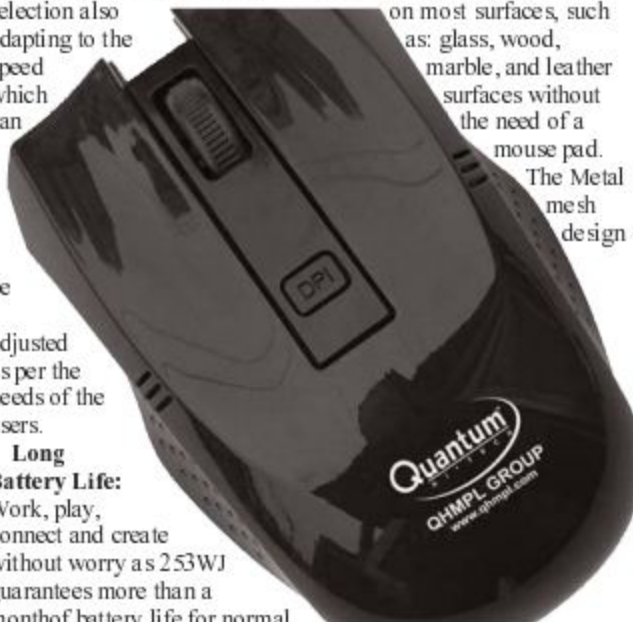

Work, play, connect and create without worry as 253WJ guarantees more than a month of battery life for normal usage* with the auto-sleep feature, you can automatically maximize your battery life when not in use.

Plug and Play Connection: Just plug the USB receiver into USB port and use it right away. With no pairing and software to install simply Plug& Play!

The advanced optical sensor

keeps the mouse precisely on point and allows you to work on most surfaces, such as: glass, wood, marble, and leather surfaces without the need of a mouse pad.

The Metal mesh design

253WJ is compatible to most of the devices which includes Laptops, Desktops etc.

Available in two variant colors Shiny Black & Classy White it's time to detangle your Worries with Quantum Wireless Mouse.
