

# QHMPPL launches 10,400mAh **GOLD POWER BANK**

QHMPPL, under the brand 'Quantum Hi-Tech', launches 10400mAh Power Bank. Priced at Rs. 1990/-, 10400mAh power bank is ergonomically friendly and easy to hold. The gleaming gold colour not only brings a bold look but also caters to all tastes and age group, suiting every budget.

Its rounded edges with impeccable smoothness in the aluminium casing builds a stronger surface, resistant to fading, wear and corrosion.

Commenting on the launch Mr. Ashish Mutneja, Director Quantum Hi Tech says, "Quantum 10,400mAh is an ideal gifting solution that makes your gifting experience hassle-free and also helps you save precious time on the right search during festivity. With its sleek design and affordable price, we are confident that it will appeal to all our esteemed customers and be one of the most favoured and functional pick of the Christmas season."

The 10400mAh power bank features, one Micro-USB port and gives DC 5.1V/2.1A MAX (Auto Switch Mobile phone Dependent). The portable charger supports up to 3.5 full charges with its super-sized capacity and can also withstand up to 300-500 times charge discharge cycle.
