

Quantum Hi Tech Launches QHM 7307 Chocolate Mini Keyboard

Ahmedabad: QHMPL, India's leading frontrunner in consumer electronics & high-quality IT peripherals, under the brand 'Quantum Hi-Tech' with its unfailing commitment to highest standards of quality at affordable prices, announces the launch of QHM 7307 Chocolate Mini USB Keyboard, distinctly designed to reduce muscle strain and make users feel more at home while working.

The newly launched peripheral is ultra-portable and is aided with 78 chocolate keys that are ergonomically designed to reduce typing stress,

arm muscle strain and typing errors. It is also built with 10 multimedia hot keys that let you enjoy the convenience of controlling all your machine's multi-media functions with ease and accessibility. Adding more to it, the QHM 7307 is built to last with its long 10 million key press lifecycle and also sport a laser print keys that do not fade off easily for further durability. To top it off, the QHM 7307 is also built with a sealed membrane sheet which is water resistant, thus preventing it from any sort of damage due to accidental spills.
