

POWER BANK

Quantum Hi-Tech QHMPL has launched its first Smart Power Bank with a 7800mAh lithium ion battery and intends to meet the demands of today's gadget-crazy crowd. More powerful, it comes in a classic mosaic white colour and a six-month warranty, which also covers the battery. It can power up gadgets and music players and is available at all leading retail outlets and e-commerce websites. Price: Rs 1,490.
