

For cool homes

Luminous Power Technologies has launched a range of luxury decorative ceiling fans equipped with LED lights. They have bright electroplated components and a remote control to turn the fan on and off and to control the speed. The range includes the Luxreeze 5-blade fans, Lumero and Rayaire models. Price: ₹18,000-23,000. There is a model priced ₹7,000 too.

We're watching you!

Quantum Hi-tech Manufacturing, a consumer electronics and IT peripherals brand, has launched HD Analog Dome Cameras designed for both the indoors and the outdoors. They feature WDR technology with wide dynamic range, which helps surveillance in difficult lighting conditions. Price: ₹1,295 for QDIS-IMD331 (Dome), ₹1,895 for QDIS-IMT331 (Bullet).

Swish kitchens

Häfele has introduced the second edition of its hi-tech range of built-in kitchen appliances, the Nagold J series. The brand provides concept kitchen fittings, microwave ovens, refrigerators, chimneys and other kitchen furnishings. Prices: ₹40,000 to ₹1.2 lakh.

Walk on it

Pergo has launched Original Excellence (AC-5 Grade) Class 33. It is available in 25 decors, in single strip, multi strip plank patterns with different shades of Walnut, Merbau, Oak, Genuine saw-ut and Genuine wood. It is designed to handle high-wear public or home areas with a lifetime guarantee for residential usage. Commercial warranty is also available on request. Price: Starts at ₹250 per sq ft.

Sinood

Fabfurnish.com has launched its premium collection of mattresses, called Sinood. The 6-inch-thick core-foam mattresses are available for single, twin, full, king and queen size beds. They come with warranty that starts from 12 months and goes up to 20 years. Price: ₹1,500 onwards.
