

For Immediate Release

Quantum Hi Tech unveils QHM 485 On The Ear Foldable Headphones

- Light weight, Foldable Design for Maximum Comfort
- Portable and easy to Carry
- Backed with gold plated interface jack to avoid disturbance

21st September 2015 : QHMPL, India's leading frontrunner in consumer electronics & high-quality IT peripherals, under the brand 'Quantum Hi-Tech' with its unfailing commitment to highest standards of quality at most affordable prices, announces the launch of its latest On the Ear Foldable Headphones QHM 485 - the ideal amalgamation of style and comfort paired with the uncompromised listening experience.

Extremely light in weight and designed to appeal to the style conscious and Gen Next, QHM 485 is updated with folding design, which allows for compact storage and comprises of matte finish outer headband that ensures durability of the headphones. So if you are the kind who prefers rough and tough usage of electronic accessories and enjoys good sound, then the QHM 485 can be your pick.

Adding to it, the newly launched headphone is built in with Neodymium Magnet (300KJ/M3) which gives powerful sound and crystal clear voice quality whereas its patented acoustic chamber design creates authentic and superior sound performance. This headphone also promises precision and sound detail, thanks to its double-layered earshells that reduces resonance and vibration. Adding further is the anti vibration aluminum which helps improve the audio performance. Next is the semi-open back architecture of QHM 485 which lends the listener some impactful bass reproduction and also prevents sound leakage.

Priced at Rs. 299/- the premium on the ear headphones is aided with sports-performance cloth which remains soft even after the hours of use, so now enjoy your music comfortably while you gyming, jogging or running..!

Commenting on the launch of QHM 485 Headphones, Mr. Ashish Mutneja, Director, Quantum Hi Tech Merchandising Pvt Ltd says, "From morning to evening, people are indulging in streaming media on-the-go. They need headphones that don't just keep up, but which actually enhance their music experience, with our newest addition QHM 485 that features cutting-edge designs with a convenient adjustable headband for ultimate portability, so one can easily enjoy their favourite music on the go."

Offering an excellent sound clarity, the headphones feature a noise cancellation function that allows undisturbed music to be heard without any ambient noise interference. Added to it, the QHM 485 is also backed with an adjustable mic that allows answering calls, while listening to music.

Available in Black and white colour, QHM 485 On the Ear Headphones is available with 1 year warranty with its presence across leading ecommerce portals and retail stores.
